**ORDER**

The court orders the registration of the following change concerning Gyermekétkeztetési Alapítvány (Children's Nutrition Foundation) registered under number 4307.

**The court finds that the organisation is a public benefit organisation under Act CLXXV of 2011.**

**Date of amendment of the statutes:** 8 November 2013

An appeal against the order may be lodged with the Budapest-Capital Regional Court, addressed to the Budapest-Capital Regional Court of Appeal, in writing in 3 copies within 15 days of service. The court informs the person entitled to appeal that legal representation is mandatory for the party lodging the appeal in proceedings before the regional court of appeal. An appeal lodged other than by a legal representative shall be rejected by the court *ex officio*.

**REASONS**

Through its representative, the organisation has submitted an application for registration of a change in the organisation's registered data. On the basis of the documents submitted, the court found that the amendment complied with the legal requirements in all respects.

With regard to the public benefit requirements under Act CLXXV of 2011 (hereinafter: Civil Act) the court has found that the organisation's deed of foundation, in a consolidated structure with the amendments, complies with Sections 34 to 50 of the Civil Act, and the organisation complies with the provisions of paragraphs (4)(a) and (5)(b) of Section 32 of the Civil Act, meaning that it has access to adequate resources and has adequate social support.

Therefore, in accordance with Section 37(1) of Act CLXXXI of 2011 on the court registration of civil society organisations and the related rules of procedure, the court decided as set out in the operative part.
